Lifesize® Cloud

Now you're talking with incredible video conferencing

lifesize®

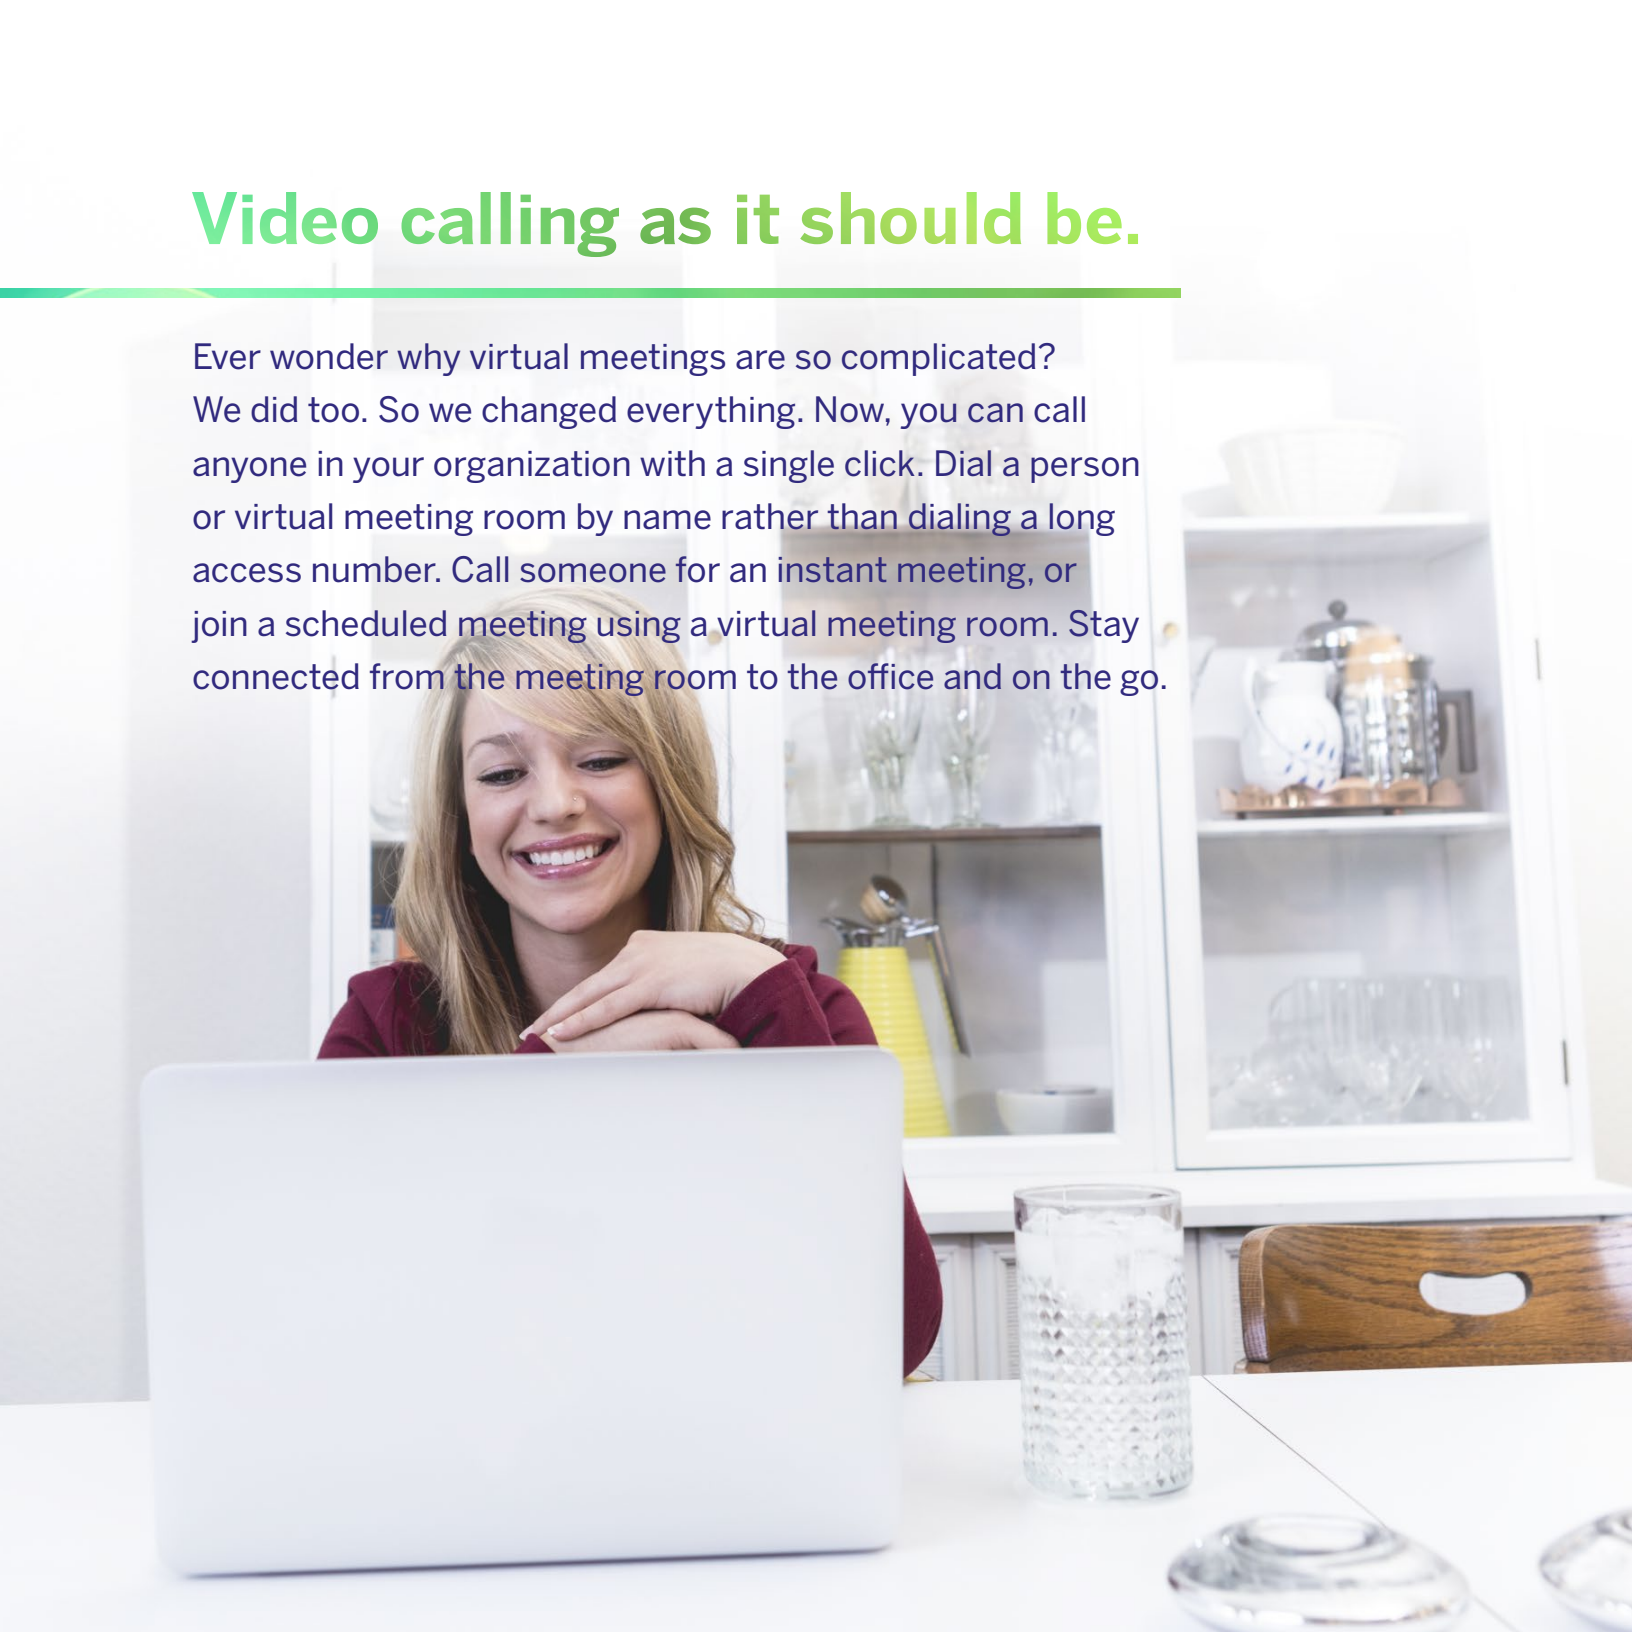
Say hello...

to video conferencing like you've never seen. Only Lifesize delivers one solution for simply connecting your conference rooms to everyone who needs to be in the meeting—from anywhere, on any device. And that's just the beginning.

- Lifesize connects the only award-winning video conferencing systems and mobile apps to a radically simplified cloud video service
- Works with the latest iOS and Android™ devices
- Offers the highest quality video conferencing
- Lets people initiate instant video calls or scheduled virtual meetings
- Ensures complete hassle-free management of a world-class video solution

Video calling as it should be.

Ever wonder why virtual meetings are so complicated? We did too. So we changed everything. Now, you can call anyone in your organization with a single click. Dial a person or virtual meeting room by name rather than dialing a long access number. Call someone for an instant meeting, or join a scheduled meeting using a virtual meeting room. Stay connected from the meeting room to the office and on the go.



One solution. Unbelievable meetings.

It's time to work smarter with an entire connected experience—one solution that puts everyone right in the meeting on any device. By delivering our radically simple cloud video service connected to our incredible video conferencing systems and mobile apps, Lifesize Cloud ensures that your best business decisions are made in person no matter where people happen to be.

Get the connection you're looking for, on any device.

Start connecting over the highest quality video on any room video system, laptop, tablet, or smartphone—and meet instantly with individuals or teams, inside or outside your company.

Lifesize Cloud
+Lifesize Icon

The Perfect Match

No other video conferencing system offers the ease, versatility and complete connected experience of Lifesize Cloud together with Lifesize Icon. Truly, this solution gives you the ultimate combination of unmatched simplicity and brilliant video, letting you meet with anyone, anywhere just like you're all in the same conference room.

Lifesize Cloud comes preloaded on every Lifesize Icon room video system and even better, all of your devices, including your laptops, tablets, and smartphones, will update automatically too, ensuring you'll always have the latest features to enjoy.

See the meeting. Be the meeting.

Only Lifesize Cloud provides the features you need to make your meetings truly connected.

Instant + Scheduled Calls

Call anyone in an instant or have everyone dial into one meeting without needing to send a new dial-in number.

Shared Directory

Once a new person is added to Lifesize Cloud, they're instantly added to the directory. What's more, after connecting your Lifesize Icon room video system to Lifesize Cloud, your directory automatically populates with names. Now each person and video conferencing system can instantly access one another through the directory. Simply scroll by name to see who is available, and click to call.

Ring All Devices

Only Lifesize Cloud rings all your devices (room video system, laptop, tablet and smartphone) for a video call.

Single + Group Calls

To add another person or a video conferencing system to the conversation, simply click on the name. Keep adding as you go (up to 40*).

* Enterprise subscription plan customers only

Complete Security

Whether you're sharing the latest financial reports or swapping confidential information, we've got your security needs covered. We provide business-class security and data encryption for Cloud customers. Lifesize also traverses firewalls so you don't have to, letting you conduct your meetings with confidence.

Total Interoperability

The only way to get a truly connected experience is to be open and interoperable with each and every platform ...

SIP PSTN H.323

... even others in the industry.

Easy as 1-2-3!

Creating the connected experience couldn't be simpler. Connect Lifesize Cloud to your Lifesize Icon right out of the box, and host a meeting in the conference room in no time.
